FAMILY CENSUS RECORDS

Dear Parent/Guardian:

Welcome to Benson Public Schools, District 777! The ECFE program is always trying to update the mailing list so all families with pre-kindergarten age children can be made aware of our classes and activities. In addition, we are interested in identifying all possible participants because program funding is based on the number of children 0-4 years old listed on our school district census. For these reasons you can help us by filling out this form and returning it to Benson ECFE, 1400 Montana Avenue, Benson, MN 56215.

Thank you for your cooperation in helping us keep an accurate census!
