Summer Food Service

The Summer Food Service Program is back this summer for Benson Schools! We are excited to offer a brand new program this summer! We will be participating in the non-congregate food program. This means parents can sign up in July and August to pick up a week's worth of meals for breakfast and lunch for each child in their home. There will be a sign up survey to fill out on the Benson Schools website that will be open for enrollment starting May 12th, along with a few different options for picking up these meals. The one thing families need to remember is if they choose this option their child can not eat at Northside school for the open breakfast and lunches during July and August, but can come and eat at the High School or Northside the entire month of June. This is a trial year and hopefully it is successful and we can offer the program all summer next year.

A few things of importance are the following:

All meals will be free to any child aged 0-18 years old.

We will be offering breakfast and lunch at Northside School for the whole summer.

Elementary school

Serving: June 2 through August 15, 2025

Days summer meals will be closed: June 19th, July 3rd- 4th & July 17th

Breakfast from 7:30- 8:15 a.m.

Lunch from 11:00 a.m. - 12:00 p.m.

High School

will be open ONLY IN JUNE and CLOSED ON FRIDAYS

Opens June 2nd- June 27th. Closed June 19th.

Breakfast from 8:00-9:00 am

Lunch from 11:00-12:00

Menus can be found in the Northside Elementary Cafeterias. They will also be posted on the Benson Schools Website: benenson.k12.mn.us by the end of May. More information on will be available on the school website and flyers will be sent home with students with updated information on and menus at the end of the year.

4th and 5th Grade Music Program

Will be held in the Performing Arts Center at 1:30 p.m. on Thursday, May 2. This will be general seating. Doors will open at 1:00 p.m.

The public is invited to watch live via the Benson Activities YouTube page. A link can be found on the school's activities page.

Last day of school May 22!

School Starts Aug. 25 (1-12) & 26 (K)

Once they begin, Math Masters meet once a week with advisory Kim Ulland for about an hour. During that time, they attempt to solve as many of 75 order of operation problems as possible in five minutes and work together in small groups to solve challenging word problems. The whole group goes over the problems together with students or the advisor explaining how they got to the correct answer.

Benson's 5th grade Math Masters

A fifth grade Math Masters group has been meeting on Tuesdays after school since January 7th. That group began with Greta, Leif, Easton, Cora, Rogan, Jase, Jaden, Brinlee, Gabby, Liam, Elsa, Praydum and Sam. A selection test given on March 18th to whittle the group down to Cora Foley, Rogan Klucas, Liam Ollendick, Elsa Schwendemann, and Sam Tolifson. Those five will have five practices to work together and strategize as to how best to approach their team rounds before representing Northside Elementary at a competition in Alexandria on April 25th.

L to R: Rogan Klucas, Cora Foley, Elsa Schwendemann, Sam Tolifson, Liam Ollendick

Benson's 6th grade Math Masters

The 6th grade Math Masters met on Thursdays from Halloween through the first week of March. Due to other obligations and interests among the students, what started out as a group of 15 shrank to Eli, Addison, Macoy, Dante, Jonathan, Sadie, Sage, Mikey and Shyla by the time they took a selection test on January 16th.

The selection test resulted in Eli Carruth, Addison Gunderson, Jonathan Sanchez Villavazo, Mikey Timmerman, and Shyla Woeste competing in Osakis on March 7th. Benson took 7th place among the 15 teams competing. Leading the team, Timmerman placed 16th in the Fact Drill competition and 14th in the individual rounds followed by Carruth coming in 18th.

Activities & Athletics

Esports

Esports is a fast growing sport/activity that currently involves over 150 schools in the state of MN. The season is 8 weeks long during the winter sport season. Benson Esports Wraps Up Successful Season

Benson Esports completed its second season with 23 students competing in games like Fortnite, Valorant, Minecraft, Mario Kart, Rocket League, and Chess. The program promotes teamwork, strategy, and discipline, and continues to grow with support from Benson Public Schools and generous sponsors.

Top honors went to Ethan Mulder and Michael Lanning as Honorary Captains. Andrew Sheggeby posted a 7-2 record in Chess and advanced to the state tournament alongside Lanning. Other award winners included Joey Wilcox, Ella Erickson, Collin Bauer, and Cian Klucas. "Super Sub" recognition went to Christopher Rodriguez.

The team graduates three seniors and looks ahead to next season. Interested students should contact Mrs. Schwarz for more info.

Sports Physicals

Sports physicals are needed in order to participate in any sport activity. New physicals will need to be scheduled for athletes who will be in **7th** and **10th grade** in the fall. If you are unsure if your child has a current physical on file, please contact the Activities Office.

Athletes cannot participate in practice until their physical has been completed. The Activities Office recommends having your physicals by August 1. These can be done at your local clinic. We also accept those done at a walk clinic and chiropractic office. You must use the physical form provided online. A link is provided on Benson School's website under "Activities and Athletics" and then under "Activities and Forms".

Fall Activities Registration

Fall activities and sports registration will take place in early August in the high school cafeteria. Please check your email in July for more information.

Concussion Testing

Every student that is involved in athletics, must take an online baseline concussion test. The test is taken in 7th, 9th and 11th grade during the fall athletics/activity meeting or during school hours. Please stop by the activities office if you need more information.

Seniors - Class of 2026

As you start planning your senior picture sessions, please take these senior portrait guidelines into consideration.

1. JPEG (.jpg) digital image format is required. 300 DPI or higher for actual size of photo. (high resolution image files are better for printing purposes)
2. All pictures must be submitted in full color (no sepia or black-and-white)
3. Pictures need to be vertical and head and shoulder only format. Please no full body or partial body poses
4. Have your photographer leave enough space around your face to allow for the yearbook staff to feature you at your best within the design.
5. Note: pictures with "soft focus" appear blurred upon reproduction.
6. Appropriate attire only will be accepted (school dress code and policies apply)...no hats, pets, or other accessories/props.
7. The yearbook staff has the right to request a different photograph if the above guidelines are not met.
8. Photographs should be emailed by December 1 to: yearbook@benso.k12.mn.us

4 Easy Ways To Register

1. **Secured Online Site:** Register online at: <https://benison.revtrak.net/>
2. **Mail:** Send registration and payment to:
Benson Community Education
1400 Montana Avenue
Benson, MN 56215
3. **Phone:** Call 843-4545 to register using a credit card. No phone registrations will be complete until payment is received.
4. **In Person:** Bring payment to the Benson Community Education office located in the Benson High School.

Register early. Many classes depend on minimum enrollment. Classes may be canceled if a minimum enrollment is not met.

Confirmation email will be sent if you have an email address in your profile. No class reminders are mailed out. Once registered, simply show up for the class and enjoy.

Inclement Weather and School Closings may affect your class. If Benson Public Schools classes and activities are canceled, Community Education classes and activities may be canceled as well. Tune in to KSCR 93.5 for notifications or cancellations. You may also call the office at 843-4545 for updated information.

Complete Refunds will be given if the activity is canceled due to insufficient enrollment. Refunds will be issued at Community Education's discretion for cancellations made less than a week before start date, due to special circumstances.

Scholarships may be available for certain classes. Certain "Camps" and Driver's Education are not eligible for scholarships.

Little Swimmer

(Ages 6 months to 5 years)

Parent and Child Aquatics targets parents and their children ages 6 months to 5 years. The parents learn how to hold and support their child safely and appropriately while helping to increase their child's comfort level by emphasizing fun in the water. A foundation of basic skills will be built.

Preschool Levels 1 & 2 (Ages 3-5)

Skills taught at this level include: water adjustment, breath control, floating, kicking and basic paddle strokes. Parents do not need to enter the water.

Level 1 (Intro to Water Skills)

Participants learn to enter and exit water; blow bubbles through mouth and nose, bobbing, open eyes under water, retrieve submerged objects; tread water; explore arm and hand movements.

Level 2 (Fundamental Skills)

Participants learn to enter/exit water; fully submerge & hold breath; front/back floats; tread water; roll over from front to back; changing direction, finning arm actions.

Level 3 (Stroke Development)

Builds on skills in level 2 by providing additional guided practice in deeper water. Will also learn to jump into deep water; bobbing while moving toward safety; headfirst entries from side-sitting and kneeling positions; survival float, back float; tread water; flutter, scissor and breaststroke; kicks on front; front crawl; simple non-swimming assists.

Level 4 (Stroke Improvement)

Develops student's confidence in the strokes learned in Level 3. Participants learn headfirst entries from side in compact and stride positions, swim under water, feet first surface dive, survival swimming; front crawl and backstroke open turns; tread water; front and back crawl; backstroke, breaststroke, sidestroke and butterfly.

Level 5 (Stroke Refinement)

Participants learn to shallow-angle dive from side and glide into a front stroke; tuck and pike surface dives, submerge completely; front flip turns and backstroke flip turn while swimming; front and back crawl, backstroke, breaststroke, sidestroke and butterfly.

Level 6 (Skill Proficiency)

Objectives are to refine strokes so participants swim with more ease, efficiency, power and smoothness; as well as swim over a great distance.
